As winter settles in, I am reminded of the incredible compassion and generosity that make the work of St Luke's Combined Hospices possible. The coming months bring both challenges and opportunities as we continue providing quality care and support to patients and families in our communities. Thanks to the unwavering support of our donors, volunteers, staff and partners, we are able to make a meaningful difference in the lives of those who need us most.

This June, I encourage you to support our Winter Food Drive and join us for the exciting fundraising events ahead. Every contribution, no matter the size, helps us continue delivering compassionate care with dignity. Thank you for being part of our journey and for helping us make every moment matter.
